

## **ANNOUNCEMENTS**

The **Trustee September Special Offering** will be for parking lot improvements. Please indicate on your check or on the envelope available in the pew that your offering is for the Building & Facility fund.

Today is the last day of our **Fall Clothing Drive** sponsored by the Mission Committee. No clothes will be accepted after today until next spring. All you need to do is clean out all your closets and drawers and be willing to donate any and all the clothing items that you can no longer use. Please make sure that the items are clean and gently used. Please no underwear. Just bring your donations to the church and place them in the narthex and we will see that they are delivered to the Church World Service Warehouse for others to use.

Thank you for your help and your donations!
